

HIT BY TRAIN--This car, driven by Walter Simon, Jr., 20, of 166 Pleasant ave., Chicago Heights, was struck by a New York Central freight train last Thursday morning on the Harlem Ave. crossing at Sauk Trail. Simon was seriously injured and is in St. James hospital, Chicago Heights. According to state police of Dist. 5 Simon was traveling south and the train, made up of two locomotives and 10 freight cars, was eastbound. (Graphic Newspapers photo)

Tax Bills Out Tomorrow Real Estate And Personal

Real estate and personal property tax bills are to be mailed out tomorrow (Sept. 4) it was announced this week by J. Leo Waldvogel, Will county treasurer.

The township collectors will accept tax payments until Oct. 5. After that date the second installment on real estate taxes will be paid directly to the county treasurer at Joliet.

There will be no penalties until after Oct. 5. Tax payments are months late this year because a hassle

over valuations and tax factors delayed the preparation of tax bills.

Some of the taxing bodies have had to borrow to meet their obligations. Most of the taxing bodies should be getting some money from the collectors by the first of October.

All personal property taxes must be paid by Oct. 5 if one would avoid penalty.

First installment on real estate must be paid by Oct. 5, and the second installment is due Nov. 5.

175 Attend Dedication Of Willow Crest School Addn.

Some 175 persons attended the formal dedication of the new addition to the Willow Crest grade school at Mokena last Sunday.

Preceding the service a piano prelude was played by Kathy Rauch.

Boy Scout Troop 40 advanced the colors and the Pledge to the Flag was led by a Scout member, followed by the school band playing the Star Spangled Banner.

The Rev. Theodore Wimmmer, pastor of St. John's United Church of Christ, gave the invocation and benediction.

Prior to the main address the school band, under the direction of Perry Friedmann, played "My Heart Ever Faithful" and "West Side Story".

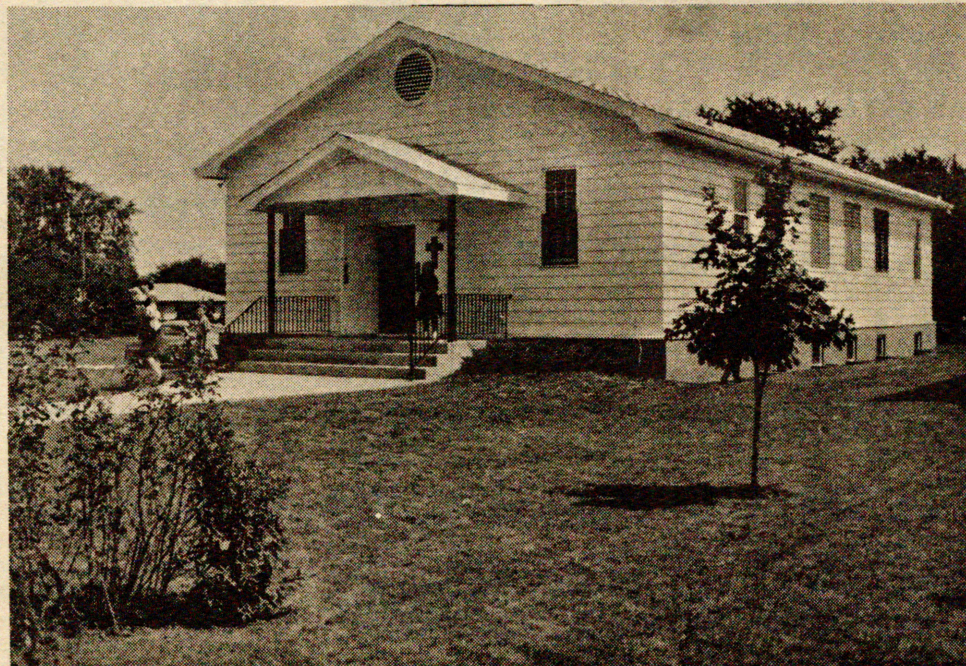

James R. Ennis, super-

intendent of the grade school system, welcomed the audience and introduced the platform guests: Verne E. Crackel, county superintendent of schools, who gave the main address; Roy Bucher, assistant county superintendent of schools; Watson Healy of Krugel, Healy and Moore, Architects and Norval K. Robinson, president of the grade school board of education.

Introduction of the board of education was given by president Robinson as follows: Ray Toppen, secretary; Chester Ebert, Edwin Yunker, Durward Fant, Robert Schutte and Fremont Warning. Recognition was also given to the following former board members who, during their term in office,

aided in the development of the new addition. They are: Robert Geuther, Hans Mueller, Thomas Powers, Walter Shewski, James Stewart, Lyman Teague and the late Gordon Bruce. Oliver Kieslar serves as the treasurer of the school district.

Following the program the audience was invited to tour the school and were later served refreshments by the Parents Teacher Association.

PARKVIEW BAPTIST church, Mokena, is to have its 10th anniversary service Sept. 10, with a potluck dinner to be served in the church basement. At the meeting following the dinner the speaker will be the Rev. Gordon Anderson, Chicago. The Rev. Arthur Contois, the first pastor, is to take part in the service and the Rev. Mr. Klingberg will bring greetings from the conference. In the past year the church has been repainted, a new ceiling installed in the basement and individual Sunday school rooms constructed. The parking lot has been enlarged to hold the cars of the growing congregation that has doubled in the past year. The pastor is the Rev. W. James Johnston. The church has two services on Sunday, 11 a.m. and 7 p.m. and a prayer meeting at 7 p.m. Wednesdays, besides Sunday school and Young Peoples' meetings.

Car Crashes Into Tree

Mrs. Betty Triem, 34, of 739 Wisconsin st., New Lenox, suffered two breaks to her left arm Tuesday afternoon (Aug. 25) when the automobile in which she was riding, driven by her father, struck a tree. The accident occurred near the intersection of 192nd st. and Wolf rd., Mokena.

William Kasper, 65, who resides near Cleveland and Wolf roads, Mokena, suffered rib injuries.

He told Mokena Police Chief Roy Newton that he was traveling south on Wolf rd. When he had to veer out to his left to avoid collision with a north bound truck

driven by David Bergman, Mokena. Kasper told Newton that Bergman made a left turn in front of him.

Chief Newton said the Kasper car laid down 40 feet of skid marks and then slid, striking a tree. The car was demolished, Newton said. According to the report Kasper said he was traveling between 30 and 40 miles an hour.

Newton gave Kasper a ticket charging him with traveling too fast for conditions. He also gave Bergman a ticket charging him with failure to yield right of way in making a left turn.

Joliet Grade Schools Hire D'Amico As Assistant Supt.

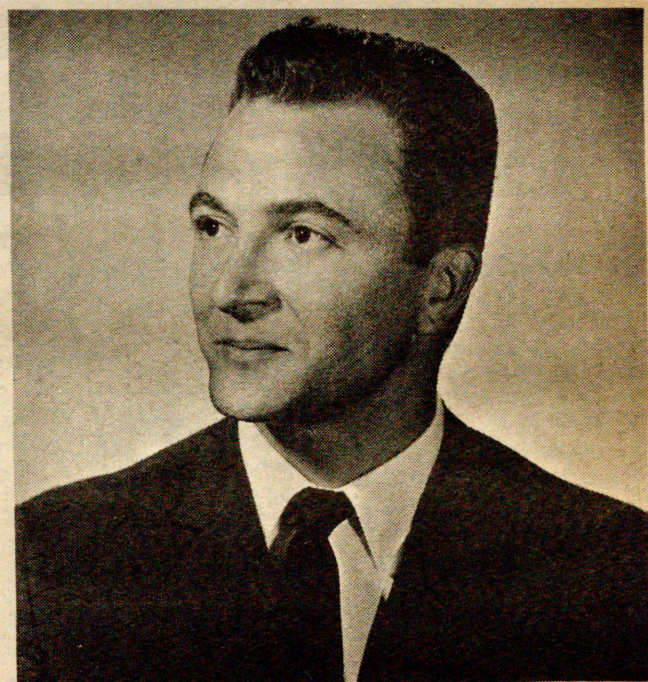

Donald J. D'Amico, assistant superintendent at Lincoln-Way high school and an authority on curriculum, will become assistant superintendent of instruction of the Joliet grade school system Oct. 1.

He was released from his contract at Lincoln-Way by the board of education at its regular meeting last Thursday night and was hired by the Joliet board that was in session that same evening. His starting salary is \$13,000.

He and his wife, Mary Lou, and four sons, reside at 340 Thelma st., Manhattan. Before coming to Lincoln-Way in 1960, Mr. D'Amico had served as superintendent of the Manhattan school for four years and previously, from 1952-56 he was an elementary teacher and later principal of the Saybrook community district.

Mr. D'Amico, who will be 34 years old Oct. 16, attended high school and junior college in Chicago. He was graduated from Illinois State Normal university in 1952 with a bachelor's degree in education and received his master's degree there in 1955. He took work at the University of Illinois in 1957 and is now working on his doctor's degree at the University of Chicago.

He is a member of the American Association of School Administrators, the Illinois Assoc. of School Administrators, Assoc. for Supervision and Curriculum Development, Ill. Assoc. for Supervision and Curriculum Development, Illinois Education Association, National Education Association and the Southwest Suburban Curriculum Group.

DONALD J. D'AMICO

He was chairman of the SWS Conference Administrative Assistants 1962-63, president of the Lincoln-Way Area Teachers Assoc., director of the Adult Education program at Lincoln-Way, curriculum director of Lincoln-Way, curriculum advisor of Lincoln-Way area elementary schools, commencement speaker and speaker for curriculum workshops, consultant for Hononegah area schools in developing a cooperative district, and he is working on the articulation and coordination of high school and elementary curriculum with 13 underlying elementary schools. He also is a member of the Northeastern Division executive board of the I.E.A. and has been a delegate to the Illinois and National Education conven-

tions. In 1962-63 he was program chairman for the Will County Principals Assoc.

Several of his papers relating to educational subjects have been published, ranging from cooperative districts and growth factors in school districts to the use of electronic computers in class scheduling.

Mr. D'Amico's successor at Lincoln-Way has not been selected. Supt. A. Hunter Chapman was called away last Friday because of the death of a sister and he did not return to duty until Tuesday of this week.

He is now giving consideration to the task of choosing an assistant for recommendation to the Lincoln-Way board of education.

Mr. D'Amico was popular with teachers, students and parents.

The opening in the Joliet grade system came thru the resignation of Louis Bottino, who is a candidate for clerk of the circuit court on the Republican ticket.

Frankfort To Pay Off \$25,000 Sewer Bonds

The village of Frankfort will reduce its bonded debt Nov. 1 by \$20,000 or \$25,000, it was decided at the meeting of the village board this week.

The bonds in question are the last in the series of revenue bonds sold to pay for the sanitary sewer system. The village sold \$300,000 of revenue bonds and \$122,000 of general obligation bonds to meet the cost of the sewers and the sewage disposal plant.

Under the terms of the ordinance covering the bond issue five funds were set up. When the balance in one reaches a certain point the amount remaining is passed on to the surplus fund, the last one in line, so to speak.

The surplus funds can be used to make improvements and extensions to the system or for the redemption of the revenue bonds. The bonds are in \$1,000 denominations and those first redeemable are from No. 300 down to No. 251. No. 300 is not due until 1999 unless the village elects to pay it off sooner.

Village officials believe they will have sufficient funds in the surplus account to redeem 25 of the bonds. A resolution covering payment was adopted by the board this week as was a general resolution directing the village treasurer, Mrs. Beulah Kohlhausen, to transfer money from one fund to another to keep the balances required and add to the surplus account.

Money in the various accounts is either invested or banked under certificates of deposit so that it draws interest.

In making the transfers approximately \$1,000 will be left in the construction fund to take care of a claim of Herbert P. Folkers. Folkers granted the village two easements for sewer mains, one being 881 feet in length and the other 706. An agreement was reached under which he was to be paid on the same scale employed in settling with Herman Barlewort.

Barlewort was paid 28.4 cents a foot and there was a notation that Folkers was to receive 43.5 cents per foot. Village Attorney Albert H. Krusemark is to check how the figure was arrived at in settling with Barlewort and what side benefits, if any, he received and their value. Appraisers were called in on the Barlewort case and the matter finally arbitrated.

There are some technicalities in the Folkers case, one of them as to whether the state holds the land along U.S. 45 in fee or as an easement. Some of Folkers land runs along this highway and the village used a part of the right-of-way to run its sewer line.

The board told Folkers that it would like to settle the case by the time of the next meeting, which is Sept. 21. He said it would depend upon when he heard from the state. The contractor didn't use all of an easement grant-

ed by Folkers, running over on adjoining property for 351 feet. Folkers pointed out that he contracted for 881 feet and that was what he expected to be paid for inasmuch as the contractor veered over onto other property without giving any notice to Folkers.

Frankfort is in need of a water meter reader again.

Registration For L-W Adult School Sept. 17

Registration for Adult Education courses at Lincoln-Way high school is scheduled for 7 to 8 p.m. Sept. 17, at the school, it was announced this week.

Classes will be held once a week for 10 weeks. The night on which classes are to be held will be decided by a majority of the students and teachers involved, it was explained. It is likely that classes will be held either Tuesday or Thursday nights, or possibly on both nights. Tuition will be \$10.

Courses available will include:

Agriculture mechanics; clothing construction; beginning typing; shorthand; business machines; bookkeeping; public speaking; oil painting and possibly a class in personal income tax calculation.

"You say, I am not a liberal. Let me tell you I am more liberal than Eleanor Roosevelt and I will prove it to you. FDR was my hero, he gave me my start."

As the election approaches, Lyndon claims to be a Conservative. Which Lyndon do you believe?

As a bit of suggested reading for those who would be interested in learning about the President's record as a "wheeler-dealer", secure a copy of "A Texas Look at Lyndon" by J. E. Evans Haley. This book may not be available at newsstands because news censorship is being practiced also in this area. Anyone who wants a copy can send \$1 for a single copy, \$2.50 for 3 copies and \$50. for 100 copies, to The Palo Duro Press, P. O. Box 390, Canyon, Tex.

When a voter knows the facts about Lyndon and Barry there shall be no doubt as to where his "X" shall be placed on the ballot in November. Vote a straight Republican ticket and we can stop the mad rush into socialism, the spread of world-wide communism, the bankrupting of our nation and the unconstitutional rule of the "Carpetbaggers". The entire United States faces conditions which prevailed during the reconstruction days following "The War Between the States". These conditions cannot be controlled under a new administration which is responsible for the beginning of these intolerable actions.

The young voters, who have been systematically brainwashed by The National Education Association and UNESCO propaganda material, would be wise to seek the "Truth" before voting. It is they who will be living and suffering under

Village Clerk Walter Pfaff reported to the board that Mrs. Dorothy Koenig, who had taken the job about 10 days ago, had turned in the book. The water committee was empowered to hire a reader. Ronald Hilton had indicated he was interested, it was reported. Some of the meters, it was stated, are in places where it is difficult to take a reading, a condition that is not uncommon in most communities, it was said.

Husband Of Former Mokena Resident Dies

Funeral services were held Tuesday, Sept. 1 at a chapel at 5120 Fullerton ave., Chicago for the husband of a former Mokena resident.

William Fred Schmidt, husband of Alice, nee Lauffer of Mokena, died suddenly Saturday at their home in Evanston. Death was due to an apparent heart attack. He was employed at the Chicago post office for many years. His wife is a professional artist with paintings sold in the leading department stores of Chicago and outlying areas. Her mother Mrs. Florence Pitman and brother George Luffer reside in Mokena.

Besides his wife Mr. Schmidt is survived by three sons: John, David and William; three daughters, Adeline Capaccio, Lora, and Christine Schmidt and a brother John and sister Ella Schreck.

Interment was in Rosehill cemetery, Chicago.

Will Drain, Flush Water Mains On September 12

Frankfort residents are hereby given advance warning. Beginning at 9 p.m. Sept. 12 the water lines of the village are to be flushed. This was decided at the meeting of the village board last Monday night.

Numerous complaints have been received relative to the water and it was believed that a thorough flushing would be beneficial.

The lines, the storage tank are drained while the pumps are driving water into the mains to flush them. The process will make for extremely low pressure for perhaps 20 minutes.

Sister Of Lincoln Way Superintendent Dies

Prof. Eunice Chapman, 61, a sister of A. Hunter Chapman, superintendent of Lincoln-Way high school, died last Thursday (Aug. 27) at Hastings, Neb.

She had been a member of the faculty of Hastings college since 1926 as professor of education and director of educational research. Prof. Chapman was quite active in the foreign exchange program on a college level and has spent considerable time abroad over the years in foreign universities to get an understanding of the needs of students there who plan to study in American colleges.

Her last stay abroad was at Beirut university in Lebanon. She contracted a virus ailment there and complications that set in after her

Some water users that have been complaining about the odor of the water have discovered that it was their hot water heaters if they were the type that has "magnetic rods" which are supposed to collect any rust in the water. According to Village Clerk Walter Pfaff the chemicals used to keep rust at a minimum, the chlorine that the state requires added to drinking water supplies and the rods tend to bring about an unpleasant odor that disappears when the rods are removed.

return to the United States finally resulted in her death.

Prof. Chapman was born at Stonington, Ill. (Christian county) and took her undergraduate work at Shurtleff college. She had graduate work at the University of Illinois, the University of Chicago, New York university and was one of the first women to be admitted to Oxford in England.

Her brother here and a sister, Miss Agnes Chapman, with whom she lived at Hastings, are the only immediate survivors.

Funeral services were conducted last Saturday afternoon at Hastings with burial rites at Stonington on Monday. Supt. Chapman went to Hastings Friday.

This is the month of the year when many people ask, "What is that vine with the large, blue flowers?" The answer is, the Jackman Clematis. This attractive vine has been around since 1863, but it is only recently that people have taken an interest in it.

Shortly after World War II, an east coast nursery started promoting the vine with color pictures in garden magazines. Those gardeners from the Cook County area that responded and planted the Jackman Clematis found that our fertile, alkaline soils were ideal for its growth. Others followed, and now this attractive vine is a standard part of the garden in many Cook County communities.

Besides its demand for fertile, alkaline soil, there is another important thing to know about the Jackman Clematis: it blooms on stems produced during the spring. Thus vines that were badly tangled and stripped of leaves during the recent wind and rain showers will recover and produce another display of bloom by late summer or early fall.

Letters To The Editor

GOLDWATER VS. JOHNSON

Dear Sir: Yesterday, while talking to one of my neighbors, he said - "I don't know which of the presidential candidates to vote for, they are both millionaires".

My answer was - "Money does not disqualify anyone but the methods by which it was accumulated, should have a bearing". "Rather than to use wealth, use the records of both men to enable you to make an intelligent decision on the question of which man would make the better President."

As for Senator Goldwater his wealth amounts to about \$2 million. He inherited from his father, the greater part of this and Mrs. Goldwater inherited a like amount from her parents. Through good management, they have added slightly to these bequests. Most important, while the Senator has been in politics, (about twelve years), he has a 100% conservative, pro-American, anti-communist voting record.

On the other hand, Lyndon Johnson has been in politics practically all his adult life. Is it possible to take \$26,000 (this is the approximate sum which Mrs. Johnson inherited from her mother's estate) and parlay it into holdings of approximately \$15 to \$20 million within 20 years?

The Johnsons claim to be worth about \$3.5 million. Values are based upon cost figures rather than current values. This has been compared to the placing of value on Manhattan Island at \$24. This is the price paid to the Indians for it.

Is it possible to have shrubs blooming throughout the growing season? Many people ask us this question having overlooked such attractive plants as the Rose of Sharon and the Butterfly bush.

Rose of Sharon, or shrub althea, is an old standby for August bloom. It does well as either an informal hedge or a single display specimen. Its single, holly-hock shaped flowers or the ruffled doubles can be quite striking when planted just off the edge of a patio or along the side of a house. It is available in purple, maroon, and spectacular double white varieties.

Although a little difficult to start, once established the Rose of Sharon is an almost maintenance free shrub. It requires neither pruning to maintain its shape, nor spraying to control insect or disease problems. A few people have called us recently about a sudden wilting occurring among isolated branches of the shrub. This symptom, however, is due to the present high heat and low soil moisture, rather than a characteristic disease.

Another attractive summer blooming shrub is the buddleia, or butterfly bush. The large lilac-shaped blooms are produced during August. The name is derived from the mysterious ability of these blooms to attract large, colorful butterflies. If you have a young butterfly collector or budding naturalist in the family, this feature alone should make the shrub interesting.

The butterfly bush dies to the ground each winter. However, it has a strong, winter-hardy root system that will reproduce a vigorous six-to-seven foot shrub each summer.

With hot weather here, we forget how cold it was last winter. Plants remember though and are showing it in their growth this summer. Newly planted sugar and Norway maples have been especially affected.

The symptoms are ragged, torn leaves produced in clusters at the tips of short, stunted new growth. Sometimes the leaves are flecked with dry brown patches. At first glance, one would think that the ragged tattered leaf has been chewed by insects; the brown dry areas appear to be the effects of a disease.

However, the problem is simply the result of a hard frost that occurred as the trees were leafing out. The frost killed patches of tissues in the leaf and caused a stunting of the stem growth. The result is the ragged scorched leaf on a

Let's Get I-80 Where The Action Is

A couple of weeks ago, the 155-mile stretch of interstate highway I-80 between the Iowa state line and U.S. 66 (I-55), about five miles west of Joliet, was officially opened to traffic with ceremonies attended by state and federal officials.

Of special interest to this area was the public utterance by state officials that the remainder of the highway would be completed in 1966. This statement has been made several times recently.

We believe such a statement to be on the optimistic side because of the enormous amount of work yet to be done between Joliet and Hazel Crest, but we are glad to hear it repeatedly because it means that the project is to receive attention.

As was stated in a news story bids were to be taken at Springfield, Sept. 2, on a grade separation involving the Rock Island tracks, Hickory creek and U. S. 30 in the vicinity of Providence high school in New Lenox township; also on a job carrying the Michigan Central tracks over I-80 south of the Lincoln highway.

As for the highway itself there is still a large amount of right-of-way to be purchased. Contracts will have to be let for grading, paving, other grade separations and the construction of service roads. It is to be hoped that many of these contracts can be awarded this winter so work can

be started in the spring. Building 29 miles of super-highway in two years is quite a task. We hope it can be done.

However, we are willing to settle for a target date in 1967. What we want to see is the work started. Between the efforts of the tollway commission to cash in on the connection with I-80 at Hazel Crest and endeavors of the Chicago administration to grab off all the funds available for highway construction for the city, it has been difficult for the towns in "missing link" area to get anything done on I-80.

It is the belief of those who have been working to get construction started on I-80 between Hazel Crest and Joliet that the highway will aid in attracting industry to the area. Such a highway, of course, would be only one factor in persuading industry to settle here but it would be an important one.

Now that communities in the path of I-80 know that its completion can be expected in the next two or possibly three years they can concentrate on getting plans prepared to guide the growth and prospective development of the region.

All of these towns realize the importance of planning and are taking steps to be prepared for the population explosion that is anticipated. Communities without plans face a chaotic future.

ON 2nd THOT

By Glenn Logan

IN THIS AGE of mechanical marvels, with automation the watchword, it should be no surprise to anyone that the boys in the back room of the laboratory have come up with another wonder—an electronic Peeping Tom.

The idea is nothing really new. We suppose that binoculars and periscopes would fit in the category of Peeping Tom aids but then someone has to hold them. With the advent of television, however, peeping has become automatic and developed into big business.

For with the development of television it was an easy step to take to go from the commercial variety to the closed circuit type. Most of us are inclined to think of closed circuit TV in terms of pay TV—you know, championship fights, special shows and the like, or the use of closed circuit TV to check manufacturing processes, demonstrate certain techniques in surgery, or for use in schools in teaching.

BUT BLESS YOUR HEARTS, closed circuit television is really going places—and we do mean going places—in the operation "Big Brother."

Where the name "Big Brother" came from is not known to your correspondent. Some call it "Big Nosey" and that we can understand.

Some mercantile estab-

lishments make use of "Big Nosey" on the grounds that they are protecting their merchandise. Instead of using detectives to patrol the premises or depending upon floorwalkers or clerks to spot shoplifters they have cameras hidden about the place that feed pictures into a TV receiver.

Persons detailed to protect the wares of a store can thus sit comfortably in a chair and watch the screen. If they see someone loading up without benefit of cash they can flash the information to an operative on floor duty.

"THERE'S A SMALL BLONDE, in a print dress and carrying a big handbag working the cosmetic section. Bring her to the office, the bag is full of packaged perfume—the expensive kind."

Fitting rooms and wash rooms are fitted with cameras too so anyone figuring on using those retreats to stow away pilfered merchandise are out of luck. An operative will be waiting for them as they emerge.

But what of bonafide cus-

tomers, the paying kind? Suppose they want to try on a dress or a girdle? Well, "Big Nosey" is right there with them. All is grist that comes to his mill. He sees all, knows all, and so do the guys watching the receiver.

Stores that make use of closed circuit TV for such purposes have a sign to that effect near the entrance. But who reads signs?

It is said that some of the manufacturing and industrial firms also make use of "Big Brother" so the brass can keep tabs on what goes on at the drinking fountains, at coffee breaks, in the wash rooms and when someone is having a private conversation with his foreman, say, or . . . but surely they wouldn't bug any of the executives offices.

ONE THING ABOUT IT, Companies using such devices should be able to develop a fine line of morons from those assigned to watch the behind-the-scenes pictures.

One of the things that is frightening is that there is so little hue and cry, and that there are not more people clamoring to their congressmen to halt this peeping and spying. It is to be hoped that people still object to that sort of thing and that we aren't ready to roll over and play dead.

Under the law when someone is engaged in a telephone conversation that is to be broadcast he knows it because he can hear that Beep - Beep - Beep. This sound is heard thruout the time one is on the air.

IT SEEMS TO ME that it is only fair if the people shown on "Big Nosey" are warned of what is happening to them. Instead of Beep-Beep-Beep, however, the signal should be changed to Peep-Peep-Peep.

Our area southwest of Chicago must be interested in the railroad which will end up with control of the Rock Island.

At the moment it would seem likely that the Union Pacific is destined to control that portion of the Rock Island operating in our area.

The Union Pacific and the Southern Pacific are reported to have an agreement wherein the U.P. if successful in securing control of the Rock Island, will sell the southern portion of the Rock Island to the Southern Pacific Railroad.

From a financial point of view, the Union Pacific has been one of the most successful roads in the country.

The Chicago North Western railroad has been offering some competition to the U.P. and its offer to buy the Rock Island.

This competition has brought changes in prices offered for the Rock Island common stock.

The Union Pacific is presenting a new offer to the Rock Island stockholders shortly after Labor Day.

The new offer; for each share of Rock Island common stock, the U.P. will

give one share of a convertible preferred stock paying \$1.80 per share annually. This preferred stock to be convertible at any time into 0.85 shares of Union Pacific common stock. The Rock Island at present is \$1. per share. The Union Pacific \$1.80 preferred gained by exchange for Rock Island common, would be almost six per cent at present market price for Rock Island shares.

Union Pacific investment standing, over a period of years, has been high. The road is one of the wealthiest of railroads. About half of the U. P. earnings derive from ownership of gas and oil properties as well as timber lands. The non-railroad holdings are reputed to be gained from land holdings received as land grants at the time the road was being built.

The Union Pacific has the reputation of being one of the country's best managed

railroads over a considerable period of time.

The Union Pacific serves the northwestern states such as Utah, California, Washington and Oregon. This area is among the fastest growth districts of the country. It is very interesting to note the area to be traversed by Interstate 80 west of Chicago and the Union Pacific system. A number of analysts express belief that the Union Pacific would add to the economic desirability of our area.

BUSINESS PROSPECTS

According to economists of the well reputed National Association, in terms of constant valued dollars, we can expect a growth of the Gross National Product of the annual rate of 4 per cent for the period 1963-1974.

Analysts of the business picture on the basis of these figures, express belief that a business recession next year presents no special danger and merely represents a period of adjustment in a generally advancing trend.

Some of the best reputed investment analysts are advising caution in selection of investments.

Altar And Rosary At St. Michael's Will Induct New Members On Sept. 8

The 1964-65 activities of the St. Michael Altar and Rosary Society, Orland Park, begins Tuesday evening, Sept. 8, under the presidential direction of Mrs. George V. Gallagher.

Focal point of the opening meeting is the traditional induction of new members at a church ceremony with Father Frank Coyle, pastor,

presiding. This year the Society will bolster its membership with the addition of 36 new members from Orland Park, 16 from Palos Park, four from Lockport, and three from Tinley Park.

Following the church ceremony the members will meet in St. Michael Auditorium for a business meeting and program "The Wonderful World of Hats" presented by Donna Kavanaugh. Hostesses for the September meeting include Mrs. George Paetow, chairlady, assisted by Madames Gene Franchi, Robert Ready, James Immormino, Paul Mattei, Matthew Palasz, Edward Cooper and Frank McCarthy.

The Altar and Rosary Society has a goal of balanced activities of spiritual, social and fund raising endeavors. Its members may avail themselves of the opportunity to attend the monthly Mass and Communion Sunday, conduct and support bake sales, card parties, teas and dinner dances, or help serve the needs of medical missions and orphanages. In doing so, the society provides its members with monthly meetings of both business and pleasure which this year will include a book review in March by

Mrs. James King Gardner and a talk in April by Paul Molloy, TV critic of the Chicago Sun-Times.

Serving the Society during 1964-65 with Mrs. Gallagher are Mrs. Donald Nagel, vice president; Mrs. Oscar Enk, treasurer; Mrs. John Lohman, recording secretary; and Mrs. Raymond Barry and Mrs. William Rock, corres-

Auxiliary To Hold Plastic Demonstration

The V.F.W. Auxiliary to post 2791 is sponsoring a plastic merchandise demonstration at 7:30 p.m., Tuesday, Sept. 15 at the V. F.W. hall, 172nd and Oak Park ave., Tinley Park. Mrs. Ann Tally will be the demonstrator.

The auxiliary will hold a rummage sale beginning at 9 a.m., Saturday, Sept. 26 at the post hall.

Anyone having articles to donate should call the chairman, Mrs. Lyle Collette, 532-2264 or the president, Mrs. Peter Biesboer, 532-2073.

The public is invited to attend both the demonstration and rummage sale.

ponding secretaries. The Society regularly meets the second Tuesday of each month at 8 p.m. in the St. Michael Auditorium, Orland Park.

School Time Means Lunch Box Time

School bells are again announcing the end of summer vacation and the beginning of another school year. This is also the time for Mom to make plans to pack school lunches that will be tasty, attractive, and nourishing. If packed lunches are planned around a basic menu pattern, they will always provide the protein, vitamins, and minerals so necessary for the fast growing school child. Nutritionists recommend the following pattern; a sandwich with a high protein meat, cheese, or peanut butter filling; raw vegetables such as carrot, celery, cucumber, or green pepper sticks; fresh fruit; cookies and milk.

To add a little variety to the daily routine, try open-faced sandwiches. Imagination is all that is needed to add an endless variety. Children as well as adults like color and variety to their meals. A problem eater may really surprise Mom, if just a little thought is put into packing his lunch box. OPEN FACE CHEESE AND EGG SANDWICH

4 slices buttered bread
4 lettuce leaves
4 thick or 8 thin slices American cheese
2 hard cooked eggs, sliced
8 stuffed olives, sliced
Make open face sandwiches by layering buttered bread first with lettuce, then cheese slices, three center egg slices and garnish with stuffed green olives. Makes 4 sandwiches.

Parents Without Partners Plan Meeting, Dance

Parents without Partners, a national, non-profit, non-sectarian, educational organization devoted to the welfare of single parents and their children, will hold their regular adult meeting at 7:30 p.m. Sept. 5 at Louise Wolf Recreation Center, 15 South Richards st., Joliet, Illinois.

The guest speaker will be the Rev. George Moulthrop, his topic "Ourselves As People".

Of these sixteen new teachers, ten are replacements on the staff, and six are new positions in the District.

Mrs. Belinda Buck will be working in the school library. Mrs. Buck is known for her work at the Orland Park public library.

Price Index For Chicago Area Sets All-Time High

(CNS) The Chicago Consumer Price Index hit an all-time high of 106.6 due

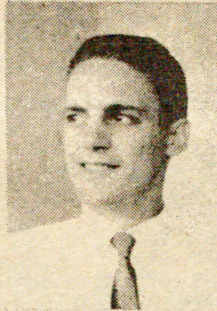

to fractional increases in the cost of food, transportation, health and recreation, and housing, according to the U. S. Department of Labor's Bureau of Labor Statistics. The previous all-time high was 106.3 in July of 1963.

For the second time in a year, CTA employees will be getting a raise based on the Consumer Price Index. The new raise will be two-and-a-half cents an hour, or \$55,000 per month.

Increases of 1.0 for food, 0.7 for transportation, 0.3 for health and recreation, and 0.2 for housing were recorded in Chicago from June to July. Higher prices for bread, pork cuts, chickens, eggs, and canned coffee were responsible for the rise in the food index. A return to regular gas prices after a gas war, and higher automobile insurance rates accounted for the rise in the transportation index. Lower prices for men's shoes and furnishings pushed the index down 0.2 in the apparel and upkeep category.

Compared with a year ago, the indexes showing increases were, apparel and upkeep, 0.8%; transportation, 0.7%; health and recreation, 0.3%; and housing, 1.2%.

Mokena

Methodists Plan Special Service For Labor Day

Telephone: 479-3521

The Mokena Methodist church plans a new and interesting Labor Day Sunday service to honor the working men and women, Sunday, Sept. 6 at 10:45 a.m.

Each person will wear his workday clothing to church. The housewife will come in housedress and apron, the mechanic and carpenter in overalls etc. Each person will also wear a tag which states what his or her occupation is.

Not only is this an excellent opportunity to become acquainted with and to appreciate the jobs of others, but it also helps each person to relate his daily vocation more closely to his Christian life.

- o -

The Multiple Sclerosis drive was held Tuesday, Aug. 25 in the Mokena - Arbury area. The amount collected from Mokena was \$78.94; Arbury, \$32.35.

Ada Hoogstra, chairman of the drive, was assisted by the following helpers and drivers. Beverly Haas, Bernice Hoogstra and Ralph Donner drove cars. Sally Zink, Christian Davies, Candy Fee, Arlene Larimore, Kathy Kairis, Jill Newmayer, Robby Doner, Danny Murray, David Merrick, Steven and Mike Ayers and Dennis and Terry Newmayer, all of Mokena and Priscilla Fitch, Nancy Rose, Sarah Rose, Collen Brady and Cheryl Turner, all of Arbury assisted in collecting.

Refreshments were served at Doc's restaurant after the drive.

Anyone missed can still donate by calling Ada Hoogs-

tra, 479-5709 or send a donation to Will county Unit National Multiple Sclerosis Society Room 301, 4 East Clinton st., Joliet, Ill. Envelopes were placed in doors for this purpose.

Tinley Park Fall Festival Opens Friday

Ping pong balls dropped from a helicopter over the grounds of the Tinley Park fall festival, will herald its opening at 7 p.m. Friday, Sept. 4.

The festival grounds are located east of the Bert Fulton school on 171st st. (east of Oak Park ave.) The specially marked ping pong balls may be redeemed for free carnival rides. This event is sponsored annually by the Tinley Park Recreation Commission and thousands of area residents enjoy the many attractions offered over the Labor Day weekend. The successful fun-filled four days is the most eagerly anticipated holiday event of the year.

BEAUTY CONTEST

The beauty contest held each year in conjunction with the festival is a most popular event. The preliminary judging will be held on the opening night at 8 p.m. The semi-finals will be held at 8 p.m. Saturday; and the queen will be crowned at 8 p.m. Sunday.

At 8 p.m. on Sunday, excitement will mount until the decision of the judges is announced and the queen is crowned.

PARADE

The big parade will start at 2 p.m. Monday. From all indications the entries will be bigger and better this year.

The four-day spectacular will end with the usual fireworks display, which draws people from miles around to view the magnificent presentation.

The Tinley Park Recreation Commission is composed of representatives from every official organization in the community. The fall festival is planned thru-out the year, but starting early in summer, the festival committee meets weekly to plan the final details.

For the second consecutive year Ted Bell is festival chairman. He will be assisted by other members of the commission and volunteers.

Area residents are invited to spend the Labor Day weekend in Tinley Park where they will enjoy the fellowship of friends and neighbors, be entertained by top notch performers, play games for prizes, visit the displays in the exhibition tent and enjoy the carnival rides. There will be two large stands serving a wide variety of hot and cold refreshments.

The contest differs slightly this year and the 18 girls entered will wear Bermuda shorts for the preliminary judging instead of bathing suits. In the second judging they will wear street dress and for the finals will be gowned in formals.

Mrs. R. J. Robinson, chairman, has been continuously active in handling the contest for several weeks and thru her efforts and the cooperation of local merchants the prizes are greater than ever before.

ENTERTAINMENT

For the continuous pleasure of fair visitors there will be high class entertainment. A wrestling match at 10 p.m. Saturday, will see "Big Moose" Cholak pit his strength against that of the "Green Giant".

At 2:30 p.m. Sunday, the Melody Homemakers kitchen band, composed of a group of women who make music with kitchen utensils, will perform.

30 YEARS WITH THE FSLIC

THE F.S.L.I.C. STORY — "SILENT PARTNER" IN A \$110 BILLION BUSINESS

The Federal Savings and Loan Insurance Corporation was launched 30 years ago to rebuild public confidence in financial institutions. This federal government agency has become a remarkable example of a successful partnership between government and private business.

The agency's primary objection was admittedly short-term; to help "put out the fire." Its justification for existence was to provide a government guarantee of savings accounts. This guarantee of accounts would bring substantial funds back into the savings and loan associations, thus stimulating home building and creating badly needed jobs. There was little time to think about the agency's long-term effects that are well known now.

Savings and loan leaders credit the insurance corpo-

ration with playing a key role in the business's exceptional growth. The savings and loan industry today is a \$110 billion business, and the Federal Savings and Loan Insurance Corporation has played a key role in this exceptional growth.

Financial Federal Savings is proud of the fact it became one of the first savings and loan associations to become a member of the Federal Savings and Loan Insurance Corporation, approximately 30 years ago. Our federal charter, combined with 1. membership in the Federal Savings and Loan Insurance Corporation; 2. membership in the Federal Home Loan Bank; 3. plus 40 years of experience, has made Financial Federal Savings one of the strongest and soundest financial institutions in the Middle West.

"FURNITURE of DISTINCTION"
147th St. and So. La Grange Rd. - Orland Park

Thank you! On August 13 we invited you to an anniversary party, our first. The celebration included our first clearance sale, the first of an annual event. We expected a goodly turnout of friends, well-wishers and previous customers. To all of these, may we again say thank you. But we must admit that we were surprised - no, astonished - at the turnout of new people who had heard of us but had never been in our store. These many fine folks, as well as our previous customers helped make our first anniversary sale one we will long remember. It is with pride that we add your names to our rapidly growing list of patrons. We hereby pledge to do all within our power to maintain the high standards of quality and value that you, our customers, so obviously demand. And through your purchases at Cooper-Smith you have endorsed these standards again, our heart-felt thanks.

Margie Is Success As Good Will Ambassador

(EDITOR'S NOTE: When Margie Olson was sent to Japan as an exchange stu-

dent by the Lions of Lincoln-Way we were rather prophetic in that we said Miss Olsen an ambassador of good will. That she filled the role well is attested by this letter from Tel Aviv, Israel, from a woman to whom exchange students are anything but rarities. The letter was addressed to Margie's parents and they are justifiably proud of the impression she made. The area also can be proud.)

and Grandpa, since he comes up in the conversation so often:

"This is just a short note to tell you that we have enjoyed having Margie with us these few days and to tell you that you really have a most wonderful daughter. We have had several of these exchange students with us over the past 12 years and this is the first time I have felt compelled to write the parents to thank them for having sent Margie abroad so that we could have the pleasure of sharing a few days with her. She came to us on Friday and was still in the Japanese mood on her arrival and gave us the sweetest bows that we have ever seen. When she realized what she was doing she didn't get embarrassed as most teenagers would have done, but laughed at herself and explained what she had done and where she had come from.

"Yesterday we took her to Jerusalem, unfortunately we were not able to show her all of the holy places she would have liked to have seen, but we did show her what we could from our side of the border. She felt a tremendous emotional impact at being in Palestine and walking on holy soil and having places with biblical connections shown to her. I can honestly say that neither my husband nor I have yet had a student who knew so much and who wanted to know more, and whose interest was so genuine.

"We think that the group

of people who chose her really knew what they were doing and want to compliment them on their choice too.

"While we were in Jerusalem we took her to an Independence Day party at the Congo embassy and she had a good time there too. She fits in any place you put her and you can really be proud of her as your daughter and as a representative of your community.

"It was such a pleasure having had her that as you see, I feel that I must thank you."

Cordially,
Vida Simons

New Typewriter Exercise, The Big Black Monster, etc

A large black animal, which may or may not have been THE big black animal billed by press and radio as "The Monster", was seen south of Mokena about 2 a.m. Monday morning.

Henry M. Noodwang, 20549 Wolf rd., reported to the sheriff's office that he was awakened by the barking of his dogs and when he went outside to investigate he saw

a large black animal leap over a fence and run for the nearby forest preserve.

Noodwang was quoted as saying he fired six shots at the animal with a .22 calibre pistol and believed that one of the bullets found its mark. A search of the area by deputies and neighbors for two hours failed to find any trace of the animal.

Mokena Boys Complete Second 50 Mile Swims

Charles Bills, 12-year-old son of Mr. and Mrs. George H. Bills of Mokena, finished a second 50-mile swim this summer, giving him 100 miles to his credit in the Red Cross Swim and Stay Fit program. Further, he was the first to complete two 50-mile stints.

Close behind him was Arthur G. Smith of Joliet, a retired insurance executive, and third was Charles's twin, David. Coming up for honors is the third of the Bills boys, Robert, who is within five miles of finishing a second 50 miles.

The Bills boys swim their measured laps under the eye of their mother, a Red Cross instructor-trainer in swimming.

Smith swims in summer at Inwood park pool in Joliet and in winter continues at the YMCA pool.

The Swim and Stay Fit program is designed to encourage physical fitness and enjoyment, rather than to set

endurance or speed records, according to Red Cross spokesmen.

Swimmers who undertake the 50-mile stretch do it in 440-yard laps—200 of them. As they begin, they are permitted to do the first three miles in shorter distances to get into good condition.

AMUSING ACT — Johnny Laddie and Company will present an amusing act with the dogs and chimps shown. He will also give an unusual presentation of a ladder routine.

Johnny Laddie Presents Act Of Dogs, Chimps

Chimps and dogs that have performed for a live audience and millions of television viewers on the Ed Sullivan show, are featured in an act to be presented at the Tinley Park Fall Festival.

The animals appear with Johnny Laddie and Company.

Besides the entertaining antics of the dogs and the Delmonte Chimps, Johnny Laddie will present an imported ladder routine on which he does outstanding acrobatic tricks without any support.

The performers will appear at 5 p.m. and 10 p.m., Sunday, Sept. 6.

Melody Homemakers Band At Festival

For 18 years the Melody Homemakers Kitchen Band has been performing for lodges, churches, hospitals, veterans groups and rest homes.

Their performances are most enjoyed and appreciated by the lonely shut-ins.

The musical instruments are common kitchen utensils and the sounds are made from attached kazoots. Their

performances also include some entertaining feature acts.

The group was first organized in 1946 as a PTA band which after a time disbanded and later reorganized.

The 20 active members are from Chicago and suburbs. Mrs. Lois Borton, the director, lives in Palos Heights and the assistant director Mrs. Mildred

Galloway is from Riverdale. Mrs. Lenore Pallisard, pianist and featured singer lives in the Burnside area of Chicago, where the original band group was first formed. Mrs. Emma Allen, main pianist, lives in Tinley Park and Mrs. Helen Heckler, drummer, in Homewood.

The band has appeared at several other functions in Tinley Park.

Mrs. Ekberg To Attend Program To Aid Orphans

MRS. KNOX Telephone: FI9-0211 World Vision, of Pasadena, Calif. is conducting a "Week of Missions" from

Aug. 31 thru Sept. 7 at the Maranatha Bible Conference headquarters on Lake Harbor road, Muskegon, Mich. Mrs. Mabel Ekberg received a special invitation, as an orphan sponsor, to attend the sponsor's luncheon on Saturday, Sept. 5, at 12:15 p.m. in the dining room at Maranatha.

Dr. Paul S. Rees and Dr. Tena Holkeboer will be guest speakers at the luncheon.

Dr. Bob Pierce is president of World Vision, Inc., and conducts a radio program on Sundays. He was inspired by Dr. Tena Holkeboer of Grand Rapids, Mich., to start the orphan ministry many years ago in Amoy, China.

It was thru the radio programs that Mrs. Ekberg pledged to sponsor a Korean

orphan, about six years ago. Kim Pil Sook is the girl's name, born Sept. 1, 1949, in Korea. She writes letters and sends pictures of herself and groups of children, periodically to Mrs. Ekberg, thanking her for Christmas and birthday gifts.

Recently Mrs. Ekberg received a letter of appreciation in recognition of her outstanding contributions to the improvement of the welfare of the Korean people. This letter came from the ministry of health and social affairs, Republic of Korea, Seoul, Korea.

Mr. and Mrs. Ralph E. Steffgen, 9931 - 145th st. celebrated their 25th wedding anniversary, Wednesday, Aug. 26. Mass was said at 9 a.m. in St. Michael's church.

Their son, A 1/C Gerald Joseph who is in the air force at Beale Airforce Base, is home on a furlough in time to help celebrate his parent's anniversary. Mrs. Steffgen's parents, Mr. and Mrs. LeRoy Stevens of St.

Petersburg, Fla., were also visiting in Orland for the celebration.

Several folks in Orland attended the fair at Peotone last week. Mrs. Mamie Cooper and her grandchildren attended on Friday.

Mrs. Anne Uthe is home after spending several days at the hospital for a check-up. She is feeling fine, from last reports.

All men and women are invited to attend a card party at St. Alexander hall, 126th and 71st ave., Palos Heights, Saturday, Sept. 12 at 8 p.m. Door prizes, table prizes and free refreshments. Donation \$1.00.

The Orland Park Chamber of Commerce is getting ready for its 5th annual golf outing at Silver Lake Country Club on Sept. 23.

Richard D. Benson, son of Mr. and Mrs. Roy Benson of 14355 Raney's lane, is undergoing training at Great Lakes, Ill. He is a member of the Naval Academy class of 1968, and will enter his freshman year at the academy in September.

The cancer dressing group will meet Wednesday, Sept. 9 at 10 a.m. in Wesley Hall of the Methodist church. Those planning to stay during the lunch hour are asked to bring a sandwich, the committee will serve coffee and dessert at noon.

Mrs. Harry Pihl, chairman, invites anyone interested in this project, to attend, if unable to attend in the morning, come in the afternoon.

Methodist Church activities:

September 6 will be the last Sunday for a single worship service and Sunday school session. Beginning September 13 there will be two worship services, at 9:30 and 10:45 a.m. Church school for all ages at 9:30 and at 10:45 for beginners. September 13 is also promotion Sunday in the Sunday school.

The Adult Bible class will meet in the home of Mrs.

Leon Leatherman, Wednesday, Sept. 9 at 8 p.m.

The MYF will have its first meeting, Sunday, Sept. 13, with a dinner served by the council members in the new basement from 5:30 to 6:30 p.m. This meeting will be one of a series planned by the council as an introduction to the work of the MYF in relation to the church, the community and the world.

September 18, 19, and 20, the council members will participate in a retreat at Reynoldswood, Dixon, Ill. They will make plans for meetings for the coming year.

The Intermediate Youth Fellowship will begin their year's program with a roundup at Camp Reynoldswood, Sept. 11 and 12.

Awards Sewer Extension Job

Blaine Saxton, Mokena contractor, has been awarded the contract for the sewer line extension on Wolf rd., running to the south end of Lot 5, beyond Ordman's Park and Shop. Saxton's bid for the job was \$5,044.

The action was taken at the last meeting of the Mokena village board.

Request of Robert Fredin to allow a private drive into the Village Green apartment development on Wolf rd., north of Front st., instead of a public street, was denied by the board.

The board ruled that any road within the development must conform with provisions of the subdivision ordinance, regardless of whether the property is subdivided. There must be sidewalks too, the board decreed.

Grade School Population Up, High Schools' Down

(CNS) A break-down of expected enrollment in Cook county's suburban schools after Labor Day totaling 363,943 compared to 346,159 at last September's opening was released Monday by County Supt. Noble J. Puffer.

Elementary enrollment was up 4.9 per cent, with 258,330 predicted compared to 244,206 last year. Waiting for the new students were 470 new elementary classrooms, 203 in new buildings costing a total of \$12,902,200.

Despite this, 96 classes will be on half day session,

88 classrooms will be in rented quarters not designed for school use, and 27 classes will have over 40 pupils, Puffer said.

High schools are better off, with 6,282 more students, or 6.3 per cent increase to 105,613, which is 2,000 less increase than last year, indicating a "tapering off."

The high schools have 496 new classrooms compared to 179 last year, costing \$31,691,200."

To solve suburban school problems due to fast growth of population, he suggested revision of the revenue article of the Illinois constitution.

Following are the estimated enrollments for the South Suburban elementary schools: District 108, Willow Springs, 400; District 109, Bridgeview, 1,775; District 110, Central Stickney, 475; District 111, South Stickney, Oak Lawn, 5,700; District 113, Lemont Comm. New Pastor Called To Church Of The Nazarene

DELORES ANDERSON
Telephone 485-3651

The New Lenox church of the Nazarene is undergoing a change of pastors. Rev. A. Gordon Rice, who spent four and a half years in New Lenox, was called to the Fairmont church at Kankakee, in August.

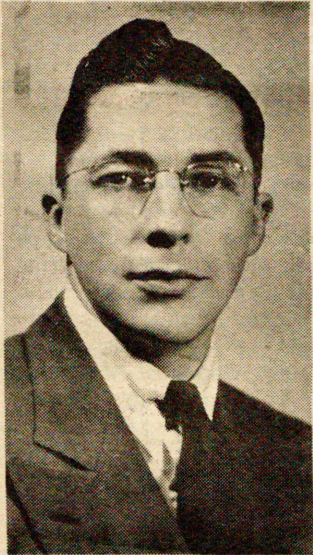

The congregation has called Rev. W.A.D. Huffman and his family from the North Side Nazarene church in Cedar Falls, Iowa.

The Rev. Huffman was training to be a teacher when he was called into the ministry. He received his bible training at Free Methodist college at Greenville, Ill. He has been in the ministry about 12 years.

The Huffmans have two sons, Dayon, a sophomore at Olivet Nazarene college, and Dennis, who will be a sophomore at Lincoln-Way high school.

They are a very musical family, with Dennis playing the piano, Dayon, the accordion, Rev. Huffman, the saxophone, and Mrs. Huffman, the piano and organ. They also make up a singing quartet.

The family moved into the parsonage at 123 W. Wood st. on Aug. 29. He will preach his first sermon in New Lenox, on Sept. 6 at 10:45 a.m., and also at 7:30 p.m.

REV. W.D. HOFFMAN

Rev. Huffman comes here as a full time pastor, but he tunes pianos as a sideline. He will be available for this work at 485-6356.

The Parents Club of St. Jude's school will hold its first meeting of the new school year on Thursday, Sept. 10 at 8 p.m. The faculty will be introduced and the goals for the coming year will be discussed. There will be a period of getting acquainted and refreshments will be served.

On Tuesday, Sept. 8 at 7:30 p.m. there will be a meeting of the board of the Parents Club at the school.

Officers for the coming year are, Guy Sell, president; Sue Hanson, vice president; Shirley Huttenhoff, secretary; and George Reiter, treasurer.

The Parents Club says "Watch for Xmas In September".

The regular monthly meeting of the Womans Guild of Grace Episcopal church will be held at the home of Mrs. Frank Pester Thursday, Sept. 10 at 8 p.m. Mrs. Charles Parsons will be co-hostess.

Miss Dotte Jean Anderson has returned home from Berwyn, where she visited with Miss Diane Pavler, a former college room-mate.

The women of Grace Episcopal church will sponsor a card party, bakery and fancy work sale, in the church basement on Wednesday afternoon, Sept. 23 at 1 o'clock.

Dessert-coffee will be served and the card games will follow. There will be both table and door prizes. Tickets may be purchased from any guild member or by calling Mrs. Anna Parsons, 485-2772. Tickets for the party are \$1.00 person.

Steve Mangun, son of Mr. and Mrs. Darwin Mangun, 4th avenue, underwent an emergency appendectomy Friday at Silver Cross hospital.

Court of Honor for Boy Scout Troop 49 will be held Thursday, Sept. 3 at 6:15 p.m. in Fellowship hall at the Methodist church. Presentation of awards will follow the pot luck supper. Several scouts will be advancing in rank at this time, and all

Hold Last Rites For Power Firm Official

Funeral services were held Tuesday afternoon for Sidney B. Westby, 60, Joliet, district superintendent of the Public Service Co., who died last Saturday (Aug. 29) at Silver Cross hospital following a brief illness.

The services were held at Faith Lutheran church, on the Joliet west side, in which Mr. Westby was an active member and had served on the church council for several years. The Rev. J.J. Lippoldt officiated and interment was in Mt. Emblem cemetery, Elmhurst.

Mr. Westby was a frequent visitor to village council meetings at Mokena, New Lenox and Frankfort, and was intensely interested in the future of the area.

Mr. Westby was head of the industrial development committee of the Joliet Region Chamber of Commerce and chairman of the mayor's subcommittee for industrial development of the City of Joliet.

He was one of the originators of the Lower Des Plaines Valley Water Development Study and a leader in raising the funds thru which the work was carried out.

A graduate of Illinois Institute of Technology in 1933 with a degree in electrical engineering, Mr. Westby began his career with the Commonwealth Edison Co. in 1926 as a substation operator. In 1937 he was in power engineering and named manager of industrial development in 1949. He was one of those instrumental in the industrial development of the northwest suburbs. Before coming to Joliet as superintendent in 1957 he was director of industrial sales for Commonwealth Edison at Chicago, and was active in planning industrial developments with the Chicago Association of Commerce and the Chicago Plan-

families are urged to attend.

Boy Scout troop 49 committeemen will meet Friday night at 7:30 in the cabin in the camp grounds. All committeemen and Scout's dads are urged to attend. They need help and ideas.

Order of the Arrow, Fall Fellowship, for Boy Scouts will be held at the scout reservation southwest of Morris, on Sept. 11 and 12. Scouts who were taped out at summer camp will take their ordeal at this time. Registering will start about 6 p.m. Candidates will need, toilet kit, jeans, uniform, and sleeping bag. No canteens, flashlight, candy or other goodies. Those members going up for brotherhood will need a hand-carved wooden neckerchief slide.

"Luncheon is Served", the annual fall luncheon sponsored by the Womans League of Trinity Lutheran church will be held Sept. 17 at the church at 12:30. There will be door prizes, and Mrs. Mark Schultz is ticket chairman, phone 485-8137.

Skip Minger and Toby Davis left Saturday morning for a week's vacation thru the western states.

Mr. and Mrs. Roland Nice, East Circle dr., are the parents of a son, Robert LaVern, born Aug. 24 at St. James hospital.

ning Commission.

Mr. Westby was a native of Newman Grove, Neb.

Besides his wife, Leone, Mr. Westby is survived by three brothers, one sister, two step-daughters, four step-grandchildren and several nieces and nephews.

Former members of Girl Scout Troop 375 met at a get together Tuesday at the Haven school. Plans were made for the girls to stay together as a group now that the Scout troop has disbanded. They will meet at the various girls homes, with the first meeting at Marcie Woodcocks home Saturday, Sept. 26 at 10:30 a.m.

Mr. and Mrs. Herman Beck and Cheryl, Herman and Daniel have returned home from an 11 day camping trip to Ely, Minn.

Mr. and Mrs. Philip Heitman and family enjoyed a vacation in Luddington, Mich.

The Marley Missionary Society will meet at the Marley church at 9:30 a.m. on Sept. 14 for an all day work session of handwork for the annual bazaar and supper which will be held at the church on Oct. 8. Members are to bring a sack lunch on the 14th and coffee will be furnished.

Mr. and Mrs. Gene McGivern and son Mark of Marley accompanied Mrs. Emanuel Wondrasek of New Lenox to Davenport, Ia. on Aug. 23 to attend a reunion of Mr. McGivern's three brothers and four sisters. It was the first time in 23 years the eight children of the late Mr. and Mrs. Michael McGivern of Mar-engo, Ia., have been together.

In addition to the Gene McGivern family, those present were the Gerald McGivern family of Davenport, Ia.; the James McGivern family of Pacific Palisades, Calif.; the Michael McGivern family of Marengo, Ia.; Mrs. Eileen Brasch and family, Mooseheart, Ill.; the Harold Brothinsen family of Guernsey, Ia.; the Richard Bech family of Bettendorf, Ia. and the James Roegiens family of Iowa City, Ia.

An informal buffet picnic was enjoyed by the eight couples and their 41 children.

Mrs. Louis Marti and sons Alfred and Michael have returned home after spending a week with relatives in Wisconsin.

Kim and Debbie Vogt of Allegan, Mich. were guests this week in the home of their grandfather, Frank Liszt.

Kenneth, Gary and Steven Reid accompanied their grandparents, Mr. and Mrs. Bernard Mattson of Downers Grove to Northern Wisconsin where they spent the past week vacationing.

Mr. and Mrs. Francis Nelson were guests last week of relatives in Iowa.

Mr. and Mrs. Herb Crabb and family have returned home after spending ten days camping at Merrimac, Wis.

Mr. and Mrs. Charles Sievert attended a surprise birthday party in honor of Mrs. Russell Thomason at her home Tuesday evening, Aug. 25.

Mr. and Mrs. Arthur Maue

have moved to Belvidere where they will teach in the Belvidere Elementary School System. Mrs. Maue, the former Miss Betty Stellwagen, will teach second grade. Mr. Maue will instruct seventh grade science.

Miss Bonnie Sproat is at Decatur where she will begin her teaching career as a resource teacher for the blind at the E. A. Gastman school.

Homer School Opens With 230 Pupils

Homer Community Consolidated School—District 33-C opened Sept. 1 with a half day session. About 230 pupils are enrolled, according to Principal William Tweedy.

The teachers are Mrs. Charles Jensen, first grade; Mrs. Harlow Baltz, second grade; Mrs. Mueshler, split room of first and second graders; Mrs. Raymond Carlson, third grade; Mrs. John Gregg, fourth grade; Mrs. Henry Rodgers, fifth grade; Mr. Hamilton, sixth grade; Mrs. Ralph Cagwin, seventh grade; and Mrs. Andrew Lahmann, eighth grade.

Miss Alma Lauffer is attending a workshop this week prior to the opening of Flossmoor Grade school where she will teach second grade.

Young people leaving for college are Miss Joan Stellwagen who will serve as a student leader during Orientation Week at Illinois State University at Normal, Miss Jane Griffin will return to Ottawa University at Ottawa, Kans. Miss Connie Corp will begin her college studies at Joliet Junior College. John Stellwagen is going to southern University at Carbondale, Ill., where he will be a major in Forestry.

Sandburg Will Field Green Determined Football Team

BY DOUG CONNELL

With the loss of several senior stars from last year's team, Eagle football fans are looking for new blood to bolster Sandburg's gridiron hopes this year.

Except for a few, but important, veterans both the offensive and defensive squads will be relying on untried talent in the 1964 season.

Probably the two most important returning players from last year's second place team are quarterback Garth Aronson and defensive Star Tony Molitor. Aronson, who saw limited service until the latter half of last season, did a creditable job as field general when he had command and with some experience should be able to handle the Eagle offense

quite well.

Molitor, who played a consistently fine defensive game thruout his junior year, should return as a senior to once again terrorize yardage - minded backfields of the eight team Southwest Suburban Conference. Aided by a few other, but not so experienced returners, Aronson and Molitor should make a considerable contribution to the team effort this year.

Eagle coach Joe Devine will be leaving the ball carrying responsibilities to three relatively inexperienced backfield men. The loss of All-American half-back Ernie Sharpe and All-Conference fullback Mike Rielic leaves two rather important holes to be filled.

Senior Chuck Heffner, who saw some action as a junior, appears to be the hottest prospect for the fullback assignment. Heffner has the speed and strength to be a good short totter, but lacks much varsity experience.

The rest of the backfield chores will be left to Jim McGee, Rusy Mitcheff, Phil Aliano and Dan Martin. None of the three have much practical experience on the varsity level, but all are sure to be given ample time opportunity this fall.

Regardless of the prowess of the backfield, no ball carrier can gain yards without a strong line to open holes for him. This year's line will be big, but mostly juniors and sophomores without too much experience. Once again, Devine's chief problem will be molding the individual talents into a workable team effort.

At first glance, the Eagles seem to be no real threat to the conference title. A second look, however, shows much individual talent and perhaps just the right mixture of veterans to bring the team together. The success of the 1964 Eagles will depend on teamwork and desire.

Erickson Reports At UNM For Football Practice

Duane Erickson, one of 16 New Mexico lettermen, will return to Albuquerque, N. Mex., Aug. 31, to begin 19 rigorous days of football practice in preparation for the opening game of the season with Utah, Sept. 19.

A Mokena, senior, Erickson will put his football ability together with his 53 team-mates in hopes of winning their third consecutive Western Athletic Conference (WAC) championship.

The 5-11, 188-pounder is a tough, strong player who has been primarily a defensive specialist in the previous two seasons. Erickson missed spring training last year to play baseball where he was a starting third baseman for Coach George Petrol. He was an All-NCAA District Seven first team choice in baseball as a sophomore, and hit .293 last year.

Head Coach Bill Weeks looks to Erickson to help make up the backbone of the Lobo defensive unit in this third WAC title-seeking year.

Erickson has a Mokena mailing address but resides in the Carl Sandburg high school district of Orland Park where he was a star athlete.

Henry Pens Wins 50-Lap Feature In Midget Races

The UARA championship feature at Joliet Memorial Stadium, Aug. 29, was won by Henry Pens, Joliet. Pens, who appeared to have car trouble, clocked in a slow 17:49 in qualifying and wound up starting the feature, first row pole. By race time, the gremlins were disposed of and Pens scored the second heat.

In the feature, Pens broke on top followed by a determined Gerry Matter, Naperville. Ray Elliott, Lockport, drove a sensational race, coming thru the field from last position. The pace was extremely fast and by the time Elliott worked himself to lap the field, and there wasn't time to catch the leader.

Pens' victory was his third feature win of the season, two of which were championship events, and a new 50-lap record entered the books at 14:16:04.

Don Vogler, Glen Ellyn, took home his first trophy of the season after an exciting driving duel with the 21 year old, rookie sensation, Bob Richards, Lockport.

Results:

Feature: Henry Pens, Joliet - Ray Elliott, Lockport - Gerry Matter, Naperville (new record, 14:16:04)

Semi: Steve O'Dell - Ron Clemens, Joliet-Ralph Reel, East Chicago, Ind.

Trophy Dash: Don Vogler, Glen Ellyn, Ill.

Heat Winners: 1st, Gerry Matter, 2nd, Henry Pens, 3rd, Ed Koslow, Chicago,

4th, George Kladis, Chicago.

Fast Qualifier: Ray Elliott (16:52)

The enthusiasm of racing fans at Joliet Memorial Stadium has prompted the United Auto Racing Ass'n. to schedule all future races for Sunday afternoon. The new time will permit additional races that cool, evening weather would prohibit, it was said. If the weather man co-operates, races should be run well into October.

The annual Labor Day week-end racing program at the Grundy county fair will again be a major attraction. The UARA will sanction a full program both Sept. 6 and 7 with a fifty lap feature on Labor Day. The Mazon speed bowl is the fastest, high-banked, one-quarter mile track in the midwest and with the nation's finest cars and drivers competing, speed and action should be superb. Time trial 6:30 p.m., sharp.

Last week's winners in Willow Run Women's Golf club were Chuck Sondergaard with a net 33 and Grace Mitchell with a net 42. In addition, Helen Churchill had a net 41, but she has already won twice in the month and therefore was not eligible to win another golf ball. Esther Hug had a net 46 and Vera

Fans Await Opening Game

Not a single season ticket holder has requested a refund in the wake of the 65-7 humiliating defeat suffered by the Joliet Explorers professional football team to the Charleston Rockets last Saturday night in the muggy West Virginia city.

Despite the first loss in United Football League play, which followed three pre-season losses to Grand Rapids, Indianapolis and Toledo, the faith of the rabid football fans in the area appears unshaken.

Undampened enthusiasm prevails as the Explorers prepare for their first home United Football League encounter Saturday night at Joliet Memorial Stadium against the Indianapolis Warriors. Kickoff time will be 8 p.m.

The Explorers will be out to avenge a 33-7 pre-season defeat at the hands of Indianapolis. This game was closer than the score indicates since Joliet mistakes were responsible for four Warrior touchdowns.

Fans will have an opportunity to see two of the finest quarterbacks in action as Indianapolis presents its double-barrel offensive, featuring Ron DiGravio, former Purdue field general.

DiGravio pitches mainly to offensive ends Thurman Walker, Illinois U., Forrest Farmer, Purdue, and Ron Miller, Indiana U.

The running attack, which intersperses the aerial display, is provided by Dan Ane, 210-pound speedster from Michigan State; Willie Simpson, 230-pound fullback from San Francisco State, Willis Jones of Purdue, Dewey Lincoln of Michigan State, James Banks of Alcorn A. & M., and Buddy Allen of Utah State.

Indianapolis opened its UFL campaign last Saturday by upending Toledo, 28-13. Toledo had been unbeaten in four pre-season games.

Joliet lost to Toledo, 7-6, after holding the Tornados to minus 9 yards rushing.

There will be a "Meet Your Explorers" rally Saturday at Hillcrest Shopping Center from 11 a.m. to 1 p.m. Ten Official United Football League football and two season tickets will be given away to some lucky persons. Players will be on hand to meet youngsters and adult fans informally in an autograph session.

The McAllister Memorial band of Harwood Post, American Legion, will play for the rally as well as for the football game Saturday night at Memorial Stadium.

REPUBLICAN Chuck Percy picks up a pretty smile from Debbie O'Brien, daughter of George O'Brien, GOP candidate for State's Attorney in Will County. Percy was the principal speaker in Republican Day activities Saturday and greeted thousands of well wishers.

A **PURPLE ROSETTE** went to Mary Jean Novy's grand champion Angus heifer, Paula's Chance, at the Fair. Mary Jean, daughter of Mr. and Mrs. Frank Novy, Rt. 3, Wilmington, bought the heifer as a calf from Angus breeder Dale Baird of Wilmington. A freshman at Wilmington High School this year, Mary Jean has a herd of 12 Angus, and her sister Agnes Ann has another 20 head.

This publication (made in accordance with Section 103 of the Revenue Act of 1939) serves as a public notice to the taxpayers of Will County of the assessed values fixed upon their property by the township assessors of supervisor of assessments.

Taxpayers who consider their property incorrectly assessed may appear before the Board of Review within ten (10) days after the date of this publication and file a complaint in writing according to Section 108 of the Revenue Act of 1939.

J. LEO WALDVOGEL
COUNTY TREASURER
ex-officio Supervisor
of Assessments

NOTICE OF LETTING

Sealed proposals for the improvement of Ogden Road, New Lenox, from Joliet Hwy. to Central Road, consisting of construction of a 10' crushed stone surface course, Type B, 12' wide, together with necessary earth excavation, finish grading and driveway restoration, on the East one-half of the right-of-way, will be received in the Office of the Village Clerk, New Lenox, Illinois, until 3:00 P.M., September 18, 1964.

Plans and specifications for said improvements are available at the Village Office, 126 West Maple Street, New Lenox.

The Village Board reserves the right to reject any and all bids.

Valuations For Schools Are Up

Assessed valuations are up in all school districts, according to figures released by County Supt. Verne E. Crackel, which means that schools will have more money with which to operate.

For example the assessed valuation figure for the Lincoln-Way high school district was \$49,031,382 as of April 1, 1963 but on April 1, 1964 the valuation had moved up to \$56,578,407, a rise of \$7,547,025.

Of the elementary districts in the area the largest increase is in the New Lenox district. Last year's assessed valuation there was \$16,281,796 as compared to \$24,319,108 this year, a hike of \$8,037,312.

The smallest difference was in the Ann Rutledge district, \$374,570. The 1963 valuation was \$1,922,450

The Working Classes

J. A. WARD

Ever since the first clay tablets were incised with
a king's possessions or history of his campaigns
and then stored in subterranean chambers, libraries
have been the basic repository of the wisdom of
man. The library is still a symbol of progress,
for man's knowledge accumulates at a fantastic speed
these days.

This flood of information and ideas finds its way
into libraries creating the greatest demand for li-
braries in history. Most libraries are generally
operating at close to minimum levels. But even to
keep up near minimum service, some 125,000 trained
librarians would have to be found over the next two
years -- nearly twenty-five times as many men and
women as are expected to receive library degrees
in that time.

As the population expands, and the library becomes
more and more an important center of study and
research, this current shortage will continue to grow.

The librarian's job is also changing. The era of
the sweet old lady with the bun on the top of her head
has passed. Today the library is a challenging and
complex organization offering a wide variety of
specialized services. Data processing is coming
into use for storing and retrieving informations. Many
of the university and private industry libraries act
as centers for not only books but also for maps,
charts, phonograph records, films, slides, and elec-
tronic tapes. These new important functions have
added glamour and increased responsibility to the
librarian's job.

How does one go about getting into this field?
To become a professional librarian you need five
years of college -- four for the regular Bachelor's
degree and a fifth for the Master's in library science.
If you want to become the head of a large university
or a big city library then a PH. D. would be worth
considering.

Of course you can obtain preparation for library
work at the undergraduate level. Many colleges
offer courses in the field. However, if you want to
qualify as a real professional, the graduate work is
necessary at some school accredited by the American
Library Association.

For admission to an accredited school, you will
need a good liberal arts base. If you are going to
specialize -- music, science, business; then you
should take an undergraduate major in that field.
For work in a school system you'll need certain edu-
cation courses for certification. The graduate school
will probably require at least one foreign language and
a "B" or higher average your last two years of
college. Some graduate schools also require entrance
exams and some require that you have a certain
number of hours of library science at the under-
graduate level. For a choice of graduate schools,
consult the professional librarians in your com-
munity.

So great is the need for librarians you may be
able to start your working career while you're still
in school. Many university and public libraries have
positions to be filled by students attending
library school.

As for a full time job when you get your degree,
that should be no problem. Right now there are about
eighteen openings for every graduate. The greatest
number of these openings are in cataloging, child-
ren's work, school libraries, extension work, and in
special services. The best opportunities are with
large universities, big, city systems and specialized
libraries of large companies.

Starting salaries average about \$6,000. Supervi-
sory and administrative positions pay a good deal
more. The head of a college library might earn
from \$7,500 to \$12,000. The head of a city system
can go above \$15,000. Salaries over \$10,000 for
people who manage business -- technical or scientific
libraries are not uncommon. Librarians of today not
only receive a fair pay, they are accorded their full
measure of professional prestige.

TWO BEDROOM, three possible, in country on lot 150 foot frontage, 2 car garage, screened patio. Well worth the money. Taxes within reason.

\$16,900

IF YOU HAVE a large family, don't miss this one. Near everything in a quiet street. 4 bedrooms, separate dining room, large living room, 2 car garage. Aluminum storms and screens. A room for second bath. An older home in top repair with approximately 1700 feet of floor space. Full basement. Very, very low taxes.

\$20,300

THE BEST YET in the over twenty price range. Brick ranch five years old, fireplace and recreation - room, 3 bedrooms, plastered walls. In a nice area near Lemont, this is neat and really a plum 1/2 acre lot. Very modernistic.

\$15,500

TEN ACRES choice in an estate area. Will divide. A real investment.

Also various country lots, industrial bordering the railroad.

IF WE DON'T HAVE IT WE CAN FIND IT.

CREATING WEALTH — Pointing out that while the United States has only 6 per cent of the world's population it produces one-third of the goods and services, Rep. Wm. H. Harrison (R.—Wyo.), asserted that our system has already proved that the way to reduce poverty is not by redistributing wealth, but by creating it. The solid and progressive remedy for poverty lies in fiscal responsibility and economic freedom, he added.

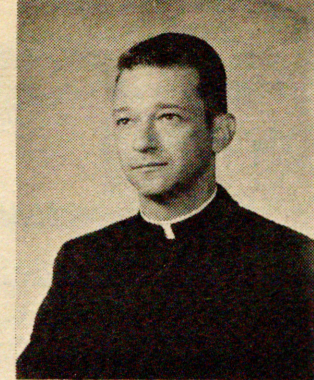

HIDDEN COST — Although it was only casually mentioned in the federal pay raise debate, the new rates will put the federal retirement fund another \$1.25 billion in the red. The overall deficiency is \$35 billion.

REAL TAX POCKET—"I would like to submit," said Rep. Katherine St. George (Rep.—N.Y.) "that a woman's handbag is not a luxury. It is a necessity. If you want to tax handbags for women you should tax pockets for men."

RUBBER CHICKEN? — Due to inflation, the cost of \$100 a plate political dinners, has now risen to \$110.

BAD MOVE—Urban renewal activities by the federal government in St. Louis, Mo., and Kansas City, Kan., have come under the fire of the General Accounting Office. It reported that families displaced by new building projects were relocated in substandard housing.

REV. JAMES L. HARPER is the new rector of Grace Episcopal church, New Lenox, and has also been assigned by Bishop Gerald Burrill as a parttime assistant to Dean Joseph Peoples, Christ church, Joliet. The Rev. Mr. Harper was ordained to the diaconate upon his graduation from Nashotah House seminary at Nashotah, Wis., last June. He will serve as a deacon for six months and will be ordained as a priest in December.

The new pastor of Grace church is 34 years old and has a wife, the former Sally Shurtleff Kelley, and three children, James L., Jr., 3, Mary Elizabeth, 18-months, and Catherine Kelley, six months old. He is a graduate of the University of Illinois, was born at Chicago Heights, and lived many years at Springfield. Before entering the ministry he was employed by the state to deal with problems affecting the aging and was also a director of a senior citizens' center at Chicago.

The Harpers reside in the rectory at 209 Pine st.

RETURN RUNAWAYS

Two runaway boys from Rochester, Mich., picked up last Thursday by Chief of Police Roy Newton of Mokena were turned over to the father of one that evening and taken home. Rochester is 300 miles from Mokena. The two boys, Tom Klintworth, 15, and Rick Cooper, 16, were going to Iowa, they said. Klintworth's father came after them, Trustee Gary Chase, police commissioner, looked after the youths until they were taken home. They were picked up on Wolf rd., attempting to hitchhike.

Community Gains From Annual Fall Festival

The proceeds from the annual fall festival, sponsored by the Recreation Commission, has provided financial assistance to many worthwhile community projects.

The Commission was formed in 1944 by leading Tinley Park citizens in order to provide recreational facilities for the younger population.

Since its inception the financial resources have been extended beyond the recreational program to other worthy causes in the community.

As the town has grown, the Recreation Commission has expanded its help to include more youth organizations and has financially assisted in the forming and operation of the public library.

In the early days, the Commission made an initial down payment of \$500 on the property which is now Memorial park on 171st st. The money was raised from a series of fund-raising activities.

Their first carnival held in October, 1945, netted a profit of \$2,800. The receipts from a fund campaign raised the total to \$2,290 which was used to purchase the property. Two additional lots were purchased in April,

1946 for \$800 and paid for in full by October, 1947.

The first recreational program for youngsters was then started by establishing a playground and building a baseball diamond.

When the Recreation Commission was being formed, Walter Fierke served as its temporary chairman, and was later elected its first president. Other first officers were Raymond Jacobs, first vice-president; Henry J. Bettenhausen, second vice-president; Mrs. Walter Eichelberg, secretary; and William Kopp, treasurer.

Organization representatives present when the commission was launched and the organizations they represented were: Walter Mager, Veterans of Foreign Wars; Mrs. Raymond Jacobs, American Legion Auxiliary; Mrs. R. L. Bacon,

Woman's Benevolent Association; Douglas Aden, Youth group; Mrs. Henry Clark, Parent-Teacher Association; William Kopp, Catholic Men's club; Noble Terrell, Methodist Men's club; Mrs. William Kopp, Home Bureau; Henry Wolfe, Civic club; Raymond Jacobs, village board; Henry Bettenhausen, Business Men's association; Mrs. Eichelberg, Woman's club; George Denner, social club; and Supt. Fierke, the schools.

The fall festival was inaugurated when Mrs. Brown Campbell was commission president, as a means to provide the organization with funds to carry on its work.

Previous presidents of the Commission in order of their

service are: Walter Fierke, Walter Goebel, Mrs. Campbell, Henry Jacobs, Henry Nolte, William Whetter Jr., Richard Nebel, George Klauss, Mike Haber, William Zimmerman, Robert Raines. For the second time it has a woman as president. She is Mrs. John Machala.

For many years Henry J. Bettenhausen headed the festival as chairman. He was followed by William Zimmerman. The present festival chairman is Ted Bell.

Since its formation the organizations now represented on the Commission includes all of the Boy Scout troops and the many other organizations which have been formed since 1944.

Kindergarten Group Has Fund Raising Plan

MRS. EDWARD HOVI
479-5740

The Arbury Hills Kindergarten Organization is now selling Christmas cards, other greeting cards and stationery with Mrs. Edward Blecha in charge.

The First Nighters will hold their regular monthly meeting at the home of Mrs. Betty Fife of 9431 W. Birch ave., tonight, Thursday, Sept. 3, at 8:00 p.m.

The Byng Club will hold its September meeting at the home of Mrs. Joseph Farnham of 9514 W. Rosewood Lane next Tuesday evening, Sept. 8, at 8:00 p.m.

The Arbury Hills Boys Baseball League will hold its regular meeting at the school at 8 p.m., Sept. 8. The group will endeavor to show the movies taken at the closing day of the season during the father-son baseball game.

These meetings are open to anyone who is interested in the baseball program, with or without children.

While the baseball season has ended there is still much to do. It takes many hours of preparation to promote baseball, and more willing workers are always needed. Those willing to help are asked to attend the meeting.

The Summit Hill Parent-Teacher Group will hold their first meeting of the new term at the school at 8 p.m., Sept. 10. This first meeting will serve to acquaint teachers and parents.

Fifteen girls from two Cadette girl scout troops, and four co-leaders embarked on their first long camp-out. The leaders were Mrs. Daniel Markowski, Mrs. LeRoy Harris, Mrs. Earl Scott, from Arbury Hills, and Mrs. Hugo Niethammer from Mokena.

Both Troop Number 76 from Mokena and Troop Number 336 from Arbury Hills were participating in the venture. There were six girls from Mokena; Diane Merrick, Kathy Consola, Kathy Roauk, Laura Reddenberg, Linda Helgersen, and Gay Williamson. There were also nine girls from Arbury Hills; Jackie Ferro, Jill Ferro, Gwen Burt, Pam Straussberg, Bessie Mejdric, Linda Scott, Pat Ny-

der, Stephanie May, and Janet Rochelle.

There was a fire drill Sunday night and the leaders were pleased with the response.

Monday, the girls began their crafts work. They began building a shower stall, practiced knot tying, learned the proper use of an axe and a saw, and some girls worked towards their first aid badge.

Two groups of girls were hiking with their jobs being to bring back water to be purified and to demonstrate the making and use of an emergency stretcher.

There were cleanliness awards given out, three of the tents receiving pine boughs for excellence and one receiving a donkey's tail.

There was a ceremonial fire Tuesday evening and four of the girls were invested into scouting.

Wednesday morning the girls participated in a mile hike following breakfast and closed their stay at the camp with a flag ceremony.

Gordon Letts Hosts At Reunion 108 Attend

MRS. EMIL WILLE
Telephone: 469-5277

Mr. and Mrs. Gordon Letts were hosts recently at a family reunion held at their home in honor of the latter's nephew, Mr. and Mrs. John Wiedfeld and family, who left for California. Wiedfeld will be the new principal of the Free Methodist church school at Los Angeles.

There were 108 guests present. Out of state guests were from West Virginia and Florida.

Daniel Flynn, son of Mr. and Mrs. Edward Flynn is a patient at Silver Cross hospital. He fell and broke his leg and is in traction. Daniel celebrated his fourth birthday at the hospital Tuesday.

Mr. and Mrs. Howard Bluth celebrated the latter's birthday by going to the Drury Lane theatre to see "Bell Book and Candle."

Saturday evening the Bluths entertained at a supper in honor of their son Stephen's seventh birthday. Guests besides his brothers John and Gregg were his maternal grandparents, Mr. and

Mrs. Al Swatek.

Mr. and Mrs. Robert Wheeler, Linda and Jayne and Mr. and Mrs. Dennis Wheeler and Marilyn and Joan Yunker of Mokena spent a week at Cranberry Lake, Phillips, Wis. They were joined for the weekend by Randy Wheeler.

Michael Urbano graduated from nine weeks of basic training at Great Lakes. Those attending the graduation exercises were his parents Mr. and Mrs. Rudy Urbano Sr., his sister Elaine and Randy Urbano Jr., Miss Carol Ressler of New Lenox and Miss Mel Norling of Chicago.

St. Anthony's Catholic - Fr. Cecil Koop OFM, pastor. Sunday masses at 9 and 10 a.m.

Calvary Baptist - Rev. S. E. Waldemer, pastor. Sunday school at 10 a.m. Sunday morning worship at 10:45 a.m. Sunday evening services at 7 p.m. Wednesday prayer meeting at 7 p.m.

URGE SUPERVISORS of Will county to join move to speed action on "missing link" for I-80 between Joliet and Hazel Crest. A resolution to that effect has been drafted by a special committee of the Mokena Chamber of Commerce following a meeting with Frankfort township supervisor George Tate (second from right) at Arch Inn. Members of the committee (l to r) are: Maurice Angland, chairman, Pete Ridderhoff, Frank Grey, George Helgersen, Betty Grey, and (far right) Ray Bisgrove. The resolution points out that speedy completion of I-80 is imperative to the industrial and economic development, and well being of the people of the area. The Will county board is asked to adopt a similar resolution and send copies to the governor, the director of highways and the members of the legislature from the area urging them to expedite the building of the 24-mile segment now missing.
